Please complete all information. Questions concerning the application should be directed to Sarah Edge. The application deadline for fall trips is the third Friday of September. The application deadline for spring trips is the third Friday of February.

Millbrook Marsh Nature Center is the only field trip location to be funded by Connections. Information about the facilities and programs, including program brochures, may be found on the MMNC website at <http://crpr.centreconnect.org/Millbrook/Programs/Groups20up.html>. Programs are generally two hours long. Groups larger than 50 students may be divided into separate sessions. Additional specific questions about the programs or facilities should be directed to:

Molly Hetrick, Recreation Coordinator

Millbrook Marsh Nature Center

Centre Region Parks & Recreation

Applications will be evaluated by Sarah Edge and Molly Hetrick, and grant funding will be distributed based on the number of students and adult volunteers reached, creativity of the connection between the field trip and pre- and post-field trip classroom activities, the level of overall organization, and the availability of matching funds. Grant awards will be announced as soon as possible after the application deadline. Upon notice of grant awards, teachers should contact **Molly** by email **to schedule field trips**.

At the end of the field trip, Molly will provide a packet of take-home materials for the students, a Field Trip Feedback Form, and Millbrook Marsh Nature Center invoices. Teachers should send the completed Field Trip Feedback Forms with all related invoices (Millbrook Marsh Nature Center program fees, transportation, materials) to **ClearWater Conservancy** for **payment**. Millbrook Marsh invoices will be paid directly to them. All other invoices will be paid to the appropriate school district.

Electronic submission of Field Trip Feedback Forms and photos is preferred.
