

RAFFLE

Stretched Canvas Giclee Print of Galbraith Gap Commemorative Oil Painting

Talented local landscape artist, Jennifer Kane, is creating a 30" x 40" commemorative original oil painting of the 152-acre property that ClearWater acquired in Galbraith Gap.

In a new twist from past years, the **original** will be sold to benefit ClearWater Conservancy. This year's **raffle** will be for a **24" x 32" Stretched Canvas Giclee Print** of the original painting. Raffle tickets will be sold for \$5 each this year, and all proceeds from both the raffle and the sale of the original painting will go to ClearWater's Operation Conservation campaign in support of future land conservation projects. This is the fifth painting in a series of works by Jennifer based on ClearWater's conserved lands.

DONATION VALUED AT \$1,200
