

Greetings -

Please join us for **ClearWater Conservancy's Annual Spring Creek Day Family Festival** at Millbrook Marsh Nature Center on Sunday, October 4 from noon – 5pm.

Last year's event was sprinkled with many new programs and interactive events for children and adults. The committee is again working hard to continue to grow this event and make it a local event which families look forward to attending each autumn.

Added to the program this year will be **“The Outdoor Gear Recycling Sale”**. ClearWater members and anyone else who would like to participate will donate gently used sports oriented equipment which will be priced for purchase. The idea is somewhat comparable to the AAUW book sale – only sports focused. The money from the event this year will be to purchase event tents and a portable speaker system for ClearWater Conservancy. Hopefully the sale will be the beginning of something our community will look forward to attending each year to try out some new outdoor pursuits and get some “good deals”!

It is also a great opportunity for these community members to meet with you.

Last year's basket raffle, which was in lieu of an exhibit space cost, was a success for the first year, too. We hope you will participate again this year!

Our hope for this successful event is early organization.

Below is a form and event information. Please fill out the information and **FORWARD** to Sharon Goss at [SXJ2@psu.edu](mailto:SXJ2@psu.edu), or print and mail to ClearWater Conservancy, 2555 North Atherton Street, State College, PA 16803.

Also check out our Spring Creek Day Family Festival webpage at [www.clearwaterconservancy.org/springcreekday.htm](http://www.clearwaterconservancy.org/springcreekday.htm) for a video from last year's event! Thanks to the Bellefonte High School video production class.

Questions? Call Sarah at 237-0400 or Holly at 574-0063.
